## » Coming Event

**Whitney M. YOUNG Scholars Program® Holiday Brunch**

**Saturday, December 19  
Spalding University – Ballroom  
9:00 a.m. – 12:00 noon**

## » Dear Friend,

It has been an outstanding summer for Lincoln Foundation. The 14<sup>th</sup> Annual Evening of Jazz fundraiser was a splendid success thanks to you, our partners, and sponsors. Words cannot express my gratitude for the outpouring of community support and diligence demonstrated by our Board of Trustees to promote our annual fundraiser. Maestro J and Ron Jones delivered marvelous performances. It was an exciting and memorable evening enjoyed by all. Next year

Lincoln Foundation will celebrate its 100 year anniversary, and we hope you will join us in celebrating this historic event. I am extremely proud of our 2009 high school and college graduates. We had a record number of graduate degrees this year. Each of the graduates represents Lincoln Foundation's mission and purpose and are the reason our organization continues to have a positive impact on the community.

Warmest regards,

*Larry M. McDonald*  
President

# » 2008 Annual Report

## » Our Mission

To provide educational enrichment programs that develop and support youth in overcoming barriers to achievement.

Da'Chelle Goodman

## » In Her Own Words

*Da'Chelle Goodman is a senior at Pleasure Ridge Park High School and a Whitney M. YOUNG Scholar. She recently shared her thoughts about Lincoln Foundation and the Whitney M. YOUNG Scholar's Program®.*

Lincoln Foundation's Whitney M. YOUNG Scholar's Program® is a wonderful program that is going to help me become successful. The program is going to help me go places that I want to go. I don't come to the Educational Clinics because my parent makes me. I come because I want to make something of myself, and Lincoln Foundation is going to help me get there. Even though I don't like to get up in the morning, I know that if I want to be successful, I am going to have to do whatever it takes. When other people my age are at home doing nothing or sleeping, I am doing something positive to make my future better. Lincoln Foundation also helps me do better in all my subjects in school. The Educational Clinic teachers are very nice, and they are happy to go over a subject as many times as it takes to understand. In the seventh grade, we studied science at the Louisville Science Center. We performed a lot of experiments that related to what I was studying in school and that helped me understand science better. In the eighth grade, I was having a lot of trouble in school with math. My grades in school improved in math because the Educational Clinic teachers and Lincoln Foundation tutors helped me. I have been in the Whitney M. YOUNG Scholar's Program® for three years and I love coming to all of the Educational Clinics. I plan to complete this program in 2010 with a bright future ahead of me. I am going to go to college and get a job that I love. I want to be happy and successful in all that I do and I know Lincoln Foundation will help me get there.
